To those with interest in Assaf Cholow:

It is my great pleasure to write this letter of recommendation for Assaf Cholow. I first met Assaf in 2010 when he served as both our real estate representative and broker for the purchase of our apartment in Jerusalem. Since then, Assaf has been managing our property in Jerusalem and I state with confidence that he is a man of dignity, responsibility, honesty, confidence and discretion.

Assaf manages all aspects of our apartment with the utmost professionalism. Maintenance expenditures represent a wise and effective balance between quality and cost. Whether it is overseeing repairs or making sure the apartment is ready for our family's use, Assaf cares for the property as if it were his own.

It is without hesitation that I recommend Assaf as a broker and property manager. Please do not hesitate to contact me with any further questions.

All the best,

Mitch Julis
